

WALID BIROUK

ACS Student
Artificial intelligence
Aspiring Data engineer

About Me

I'm an ACS student with a background in mathematics and informatics from Algeria. Currently, I'm pursuing a Bachelor's in Applied Computer Science (AI) at Thomas More. I'm passionate about AI, data science, and technology's transformative potential. I'm eager to further learn and improve and apply my skills to innovative projects and contribute to the exciting world of IT.
